Mr. Larson,

I am writing in response to your letter dated April 1, 2007. In that letter you were requesting that the Ridgecrest Police Department assist you in gaining copies of 911 calls.

The 911 calls you made from December 18, 2006 through January 4, 2007, were not recorded due to technical difficulties the Ridgecrest Police Department was experiencing with the data recorder. On January 18, 2007 at 0944 hrs, we did receive a 911 call from your phone but no one was on the line.

I hope that I have provided the information you were seeking.

Sincerely,

Michael D. Avery  
Chief of Police
